**Joint Motion for Extension of Time for Motion Computing, Inc.
to File Its Answer to Plaintiffs' Original Complaint**

To The Honorable United States District Judge:

Plaintiffs, Typhoon Touch Technologies, Inc. and Nova Mobility Systems, Inc., and Defendant, Motion Computing, Inc. ("Motion Computing"), jointly move for an extension of time in which Motion Computing may answer Plaintiffs' Original Complaint and show:

1. This is an action for the alleged infringement of Patent Nos. 5,379,057 and 5,675,362. Motion Computing was served with the summons and a copy of Plaintiffs' Original Complaint on December 10, 2007, making its Answer due on or before December 31, 2007, unless the time for filing is extended by the Court.

2. Plaintiffs and Motion Computing jointly move for an order granting Motion Computing an extension of time to January 31, 2008 in which to file its Answer to Plaintiffs' Original Complaint. Good cause exists for the requested extension of time. Specifically, the movants intend to engage in good faith efforts to reach an amicable settlement of the claims asserted by Plaintiffs against Motion Computing. The

requested extension is necessary to facilitate this objective or otherwise provide Motion Computing adequate time to file its Answer.

3. Motion Computing has agreed not to utilize the additional time to contest jurisdiction or venue in this matter.

Wherefore, Plaintiffs, Typhoon Touch Technologies, Inc. and Nova Mobility Systems, Inc., and Defendant, Motion Computing, Inc., jointly move for an extension of time until January 31, 2008 in which Motion Computing, Inc. may file its Answer.

Dated: December 27, 2007
